

ReVireo

Woodmont Bay Club at Bayonne

Overview

The recently opened Woodmont Bay Club at Bayonne by Woodmont Properties provides 220 luxury apartments in desirable Bayonne, NJ. This exclusive waterfront community has easy access to New York City, Jersey City, and Hoboken. Some of the incredible amenities' tenants at Woodmont Bay Club enjoy include: a luxurious pool, fitness center, game room, golf lounge with golf simulator, rooftop terrace and more.

Woodmont Properties engaged with ReVireo on this exciting project at the onset. A detailed plan was laid out and ReVireo managed the ENERGY STAR certification for all units of the mixed-use 200,000+ sq. ft. building complex. The ReVireo team handled the complete process from beginning to end and engaged Woodmont Properties and their teams throughout the milestones. This included energy modeling, design consulting, inspections, diagnostic testing, documentation processing, and coordinating participation in the NJ Clean Energy rebate program. ReVireo qualified the project for over \$150,000 in rebates from the NJ Clean Energy Program.

With each unit receiving the ENERGY STAR certification, tenants at the Woodmont Bay Club at Bayonne benefit from an energy efficient apartment with great indoor air quality and comfort. They additionally get to enjoy a state-of-the-art building and community amenities, making the decision to live at Woodmont Bay Club at Bayonne the right choice.
